

Department of Agricultural and Applied Economics
University of Wisconsin-Madison
427 Lorch Street
Madison, WI 53706-1503

Phone: 608-262-4908
FAX: 608-262-4376
email: dphaneuf@wisc.edu

PERSONAL

Citizenship: USA
Languages: English (native), German
Spouse: Dr. Silke Schmidt
Children: Tammo, Finja

EDUCATION

Ph.D. in Economics (minor: Statistics), Iowa State University, Ames, IA 1997.
BS in Economics (minor: Math), Saint John's University, Collegeville, MN 1990.

FIELDS

Environmental and natural resource economics, applied econometrics
Dissertation Title: Generalized Corner Solutions in Recreation Demand (advisors: Catherine Kling and Joseph Herriges)

EMPLOYMENT

Chair, Department of Agricultural and Applied Economics, July 2020-present.

Professor of Agricultural and Applied Economics, University of Wisconsin, 2013-present.
Associate Professor of Agricultural and Applied Economics, University of Wisconsin, 2012-2013.

Professor of Agricultural and Resource Economics, North Carolina State University, 2009-2011.
Associate Professor of Agricultural and Resource Economics, North Carolina State University, 2004-2009.
Assistant Professor of Agricultural and Resource Economics, North Carolina State University, 1998-2004.

Director, Center for Environmental and Resource Economics Policy, NCSU, 2006 - 2007.
Assoc. Director, Center for Environmental and Resource Economics and Policy, 2003 - 2006, 2008 - 2011

HONORS AND AWARDS

President, Association of Environmental and Resource Economists (AERE), 2019-2020.

Henry C. Taylor Professor of Agricultural and Applied Economics (endowed professorship), 2017-present

Editor, *Land Economics*, 2018-present.

Inaugural Editor in Chief, *Journal of the Association of Environmental and Resource Economists (JAERE)*,
January 2014 to December 2016.

Managing Editor, *Journal of Environmental Economics and Management*, January 2011 to December 2013.

Co-editor, *Journal of Environmental Economics and Management*, 2006 – 2010.

2014 and 2016 *Outstanding Contribution to Graduate Program*, Department of Agricultural and Applied Economics, UW

2010 *Outstanding Graduate Instructor Award*, College of Agricultural and Life Sciences, NCSU.

2009 *Kriz Faculty Study Leave Endowment Award*, 2009/2010 academic year in Germany.

2003 SAEA *Teaching Course Award* for undergraduate environmental and resource economics.

2001 AAEA *Quality of Research Discovery Award*, honorable mention for “Estimation and Welfare Calculation in a Generalized Corner Solution Model with an Application to Recreation Demand”.

2001 Australian Agricultural and Resource Economics Society *Young Professionals Exchange Travel Award*. Funding awarded to attend AAREA meeting in Canberra, Australia, February 2002.

OTHER WRITING AND MEDIA PRESENCE

Keiser, D., C. Kling, and D. Phaneuf, "The Social Cost of Water Pollution," *Resources*, May 2019.

D. Phaneuf, "Five things everyone should know about daylight savings time," contributed essay, *Grow: Wisconsin's Magazine for the Life Science*, spring 2016.

Grainger, C. and D. Phaneuf, "Let's create less job security for politicians," op-ed, *Milwaukee Journal Sentinel*, July 14, 2015.

Phaneuf, D.J., "The economics of pollution control", *NC State Economist*, May/June 2007.

Phaneuf, D.J., "Valuing clean water in North Carolina", *NC State Economist*, May/June 2002.

WORK IN PROGRESS

Paterson, R., K. Boyle, M. Schmidt, B. Hubbell, and D. Phaneuf, "Property value impacts of air pollution on visibility," under review, 2020.

Ji, Y, D. Keiser, C. Kling, and D. Phaneuf, "Revenue and distributional consequences of alternative pricing mechanisms: evidence from a micro panel dataset," under review, 2020.

Theising, A. and D. Phaneuf, "Using urban migration flows for nonmarket amenity valuation," under review, 2020.

Kalinin, A., D. Parker, and D. Phaneuf, "Effects of local regulation on neighboring jurisdictions: evidence from mining ordinances," draft manuscript, 2020.

GRANTS, CONTRACTS, AND CONSULTING

USDA Agriculture and Food Research Initiative (AFRI) Program, 2019-23. "Integrated Assessment Models for Water Quality: Application to NRCS Conservation Initiatives," \$496,265 (with Cathy Kling and Dave Keiser).

UW Fall Competition, 2019-2020. "Conversion of Natural Vegetation to Agriculture: An Economic Model for the Brazilian Cerrado," \$31,050.

UW Fall Competition, 2018-2019. "Inland recreation fisheries as coupled social-ecological systems," \$34,222.

UW Fall Competition, 2017-2018. "The economic value of removing lead water pipes: evidence from the Madison replacement program," \$51,424.

Great Lakes Fishery Commission, 2016-2018. "Enabling predictions of the economic consequences of aquatic invasive species establishment to recreational fishers on the Ontario side of the Great Lakes," \$235,034 (with Josh Abbott, Arizona State, Eli Fenichel, Yale, and Len Hunt, Ontario Ministry of Natural Resources).

US EPA, 2016-2019. "Valuing water quality improvements in Midwestern ecosystems: spatial variability, validity, and extent of the market for total value," \$800,000 (multiple PI project with Iowa State, University of Minnesota, Michigan State, University of Tennessee).

UW Consortium for Extension and Research in Agriculture and Natural Resources, 2015-16. "Exploring the roles of local organizations in advancing lake health in Wisconsin," \$24,289 (with Ken Genskow, UW-Madison, and Eric Olson, UW-Steven's Point).

WI Sea Grant, 2014-16. "Estimating the economic benefits of the Wisconsin Great Lakes sport fishery," \$214,241.

USDA Agriculture and Food Research Initiative (AFRI) Program, 2014-17. "Understanding environmental tradeoffs in an amenity based rural economy: lessons from large scale shocks in Wisconsin," \$495,859

USDA National Needs Fellows, 2014-2017. "A graduate program in resource economics at the University of Wisconsin: Adaptation to climate change and policy," \$238,500.

Itasca Water Legacy Partnership, 2012-2013. "Economic valuation of water quality in Itasca County Minnesota," \$87,094.

Environmental Protection Agency, 2008-2009. "A proposal for a micro-econometrics training workshop," \$78,489.

NC Water Resources Research Institute, 2008-2009. "Funding to support a research assistant for EPA nutrient valuation project," \$20,520.

Environmental Protection Agency, 2007-2010. "Measuring nutrient reduction benefits for policy analysis using non-market valuation and environmental assessment models," (PI with RTI, Duke, NCSU co-PI's), \$419,161.

National Research Initiative (NRI), 2007-2009. "Measuring the benefits of farm level utilization of alternative marketing arrangements," 2008-2010, (with Tom Vukina and Xiaoyong Zheng), \$210,000.

RTI International, 2007-2012. "Demonstration and evaluation of structural benefit transfer and Bayesian benefit transfer for valuing impacts of beach quality changes" (EPA project consulting).

RTI International, 2005. "Design of 2005 National Survey of Recreation and the Environment, Freshwater Trip Module", (EPA project consulting).

Environmental Protection Agency, 2005-2007. "Proposal for a Two-Year Extension of Camp Resources with a Supplementary Training Workshop," (with Kerry Smith), \$79,400.

RTI International, 2002-2003. "Benefits and Costs of Snowmobile Management Changes in Yellowstone National Park," (NPS project consulting).

NCSU Animal and Poultry Waste Management Center, 2001-2003. "Full Economic Feasibility Assessment of the Smithfield Foods Agreement," (co-investigator with several NCSU and RTI International researchers).

Environmental Protection Agency/National Science Foundation Partnership for Environmental Research, 2001-2004. "Measuring Economic Benefits for Amenity Consequences of Land Cover Changes and Water Quality Impacts," (with Kerry Smith and Ray Palmquist), \$300,000.

NC Water Quality Work Group, 2001-2002. "Land Use Patterns and Pollution in the Upper Neuse River," (with Ray Palmquist), \$75,000.

NC Water Resources Research Institute, 1999-2000. "Benefits of Quality Improvements in North Carolina's Water Resources," \$25,297.

National Science Foundation/Environmental Protection Agency, 1998-2000. "An Examination of Utility Consistent Approaches to Modeling Corner Solutions in Recreation Demand," (with Catherine Kling and Joseph Herriges), \$134,759.

German Academic Exchange Service (DAAD), 1998. Funding for five month visit to the Interdisciplinary Institute for Environmental Economics, University of Heidelberg, Germany.

INSTRUCTION

Training Workshops/External Teaching:

"Lectures on environmental economics," ten-week course, Potsdam Institute for Climate Impacts Research (PIK), fall 2019.

"Discrete choice econometrics for health economists," short course, Technical University Berlin, September 2019.

"New opportunities for environmental measurement," AERE pre-conference workshop, May 2017, Pittsburg (co-organizer with Cathy Kling and Yusuke Kuwayama).

"Spatial econometric analysis and spatial data management", August 2014 and August 2015, Copenhagen, Denmark (course instructor).

"Micro-econometrics in and out of markets: a second training workshop on micro-econometrics in environmental economics", May 28-29, 2009, Washington, DC (course organizer/instructor).

"Revealed Preference Outside Markets: Micro-econometrics in Environmental Economics", October 20-21, 2006, Research Triangle Park, NC (course organizer/instructor).

Classroom at NCSU:

ARE 201 Principles of Microeconomics (undergraduate)
ARE 336 Introduction to Environmental and Resource Economics (undergraduate)
ECG 715 Environmental and Resource Economics (graduate)
ECG 716 Topics in Environmental and Resource Economics (graduate)
ECG 790 Micro-econometrics with Simulation (graduate)
ECG 561 Intermediate Econometrics (graduate)

Classroom at UW:

AAE 762 Frontiers of Environmental and Resource Economics (graduate)
AAE 875 Micro-econometrics with Simulation (graduate)
AAE 643 Foundations of Environmental and Resource Economics (graduate)
AAE 636 Applied Econometric Analysis I (graduate)
AAE 244 Environment and the World Economy (undergraduate)

INVITED SEMINARS

Mercator Climate Change (MCC) Institute, Germany, July 2020
Leipzig University (iDiv), Germany, June 2020
Kiel University, Germany, January 2020
Hamburg University, Germany, January 2020
Leipzig University (economics), Germany, December 2019
National University Ireland Galway, October 2019
Texas A&M University, March 2019
University of Illinois, April 2018
Toulouse School of Economics, September 2017
University of Geneva, September 2017
University of Kentucky, May 2017
Penn State University, April 2017
University of Minnesota, February 2017
University of Oregon, April 2015
Cornell University, March 2015
University of Arizona, December 2013
Arizona State University, March 2013
University of Washington, November 2012
Ohio State University, October 2012
University of Minnesota, April 2012
Iowa State University, October 2011
Resources for the Future, June 2011
University of California-Davis, April 2011
University of Tennessee, March 2011
University of Heidelberg, Germany, July 2010
Stravanger University, Norway, June 2010
University of Wisconsin, December 2010
University of Manchester, UK, December 2009
University of Kiel, Germany, November 2009
University of Calgary, February 2009
Kansas University, April 2008
University of Wisconsin, March 2007
Michigan State University, October 2006
University of Minnesota, November 2005
University of Kiel, Germany, December 2004
University of North Carolina-Greensboro, November 2004

Texas A&M University, April 2004
University of Heidelberg, Germany, April 1998
Economic Research Service, USDA, February 1998

INVITED/ORGANIZED CONTRIBUTIONS

Co-Organizer, *Social Cost of Water Pollution Annual Workshop*, 2019 and 2020 (with D. Keiser and C. Kling).

Invited speaker, *Integrated Assessment Models and the Social Costs of Water Pollution*, Iowa State University, April 2018.

Invited speaker, *Economics, Environment, and Sustainable Development*, Sackler Colloquium, National Academy of Science, January 2018.

Invited speaker, *Environmental and Natural Resource Conversation: Theoretical and Empirical Issues*, INRA-SupAgro, Montpellier, France, September 2017.

Invited panelist, “Alternative paths to a successful career”, *Economics of Water and Energy Workshop*, San Diego, CA, March 2017.

Invited contributor and participant, *Benefit Transfer: Evaluating How Close is Close Enough*, US EPA, Washington DC, December 2016.

Keynote speaker, *Latin American Environmental and Energy Economics Workshop*, CIDE Region Centro, Aguascalientes, Mexico, September 2015.

Keynote speaker, *Sustainable Resource Use and Economic Dynamics (SURED)*, Monte Verità, Switzerland, June 2014.

Invited speaker, *Global Environmental Challenges: The Role of China* workshop, Shanghai, China, December, 2012.

Invited participate and discussant, *Advancing the Theory and Methods for Understanding Employment Effects of Environmental Regulation* workshop, US EPA, Washington DC, October, 2012.

“Non-price equilibria for non-marketed goods,” (with J. Carbone, and J. Herriges), paper commissioned by Resources for the Future and EPA for the *Frontiers of Environmental Economics* workshop, Washington, DC, February, 2007.

“Choice Margins and Ecosystem Services Valuation,” (with R. Palmquist and K. Smith), invited contribution to *Linking Economic and Ecological Models for Environmental Policy Workshop*, Santa Fe, NM April 2005.

“Choice Set Definition in a Kuhn-Tucker Model of Recreation Demand” (with J. Herriges), invited contribution to *Choice Set Definition Workshop*, sponsored by National Marine Fisheries Service, Silver Spring, MD, Sept. 1999.

PROFESSIONAL SERVICE AND AFFILIATION

President, Association of Environmental and Resource Economists (AERE), 2019-2020.

Editor, *Land Economics*, July 2018-present.

Editor in Chief, *Journal of the Association of Environmental and Resource Economists*, January 2014 to December 2016.

Managing Editor, *Journal of Environmental Economics and Management*, January 2011 to December 2013.

Co-editor, *Journal of Environmental Economics and Management*, 2006-2010.

Editorial council, *Journal of Environmental Economics and Management* 2002-2005.

>35 external promotion and tenure letters

Reviewer for:

Science, Proceedings of the National Academy of Science, The Lancet Planetary Health, American Economic Review, Journal Political Economy, American Economic Journal: Policy, Review of Economics and Statistics, European Economic Review, Journal of Business and Economic Statistics, Journal of Econometrics, Journal of Applied Econometrics, International Economic Review, Journal of Public Economics, BE Journal of Economic Analysis and Policy, Journal of Economics, Journal of Economic Behavior and Organization, Journal of Environmental Economics and Management, Journal of the Association of Environmental and Resource Economists, Environmental and Resource Economics, Land Economics, Ecological Economics, Contemporary Economic Policy, Water Resources Research, Information Economics and Policy, American Journal of Agricultural Economics, Journal of American Water Resources Association, Journal of Agriculture and Resource Economics, Journal of Agricultural and Applied Economics, Journal of Leisure Research, Marine Resource Economics, Journal of Conflict Resolution, Journal of Benefit Cost Analysis, Canadian Journal of Fisheries and Aquatic Sciences

Association of Environmental and Resource Economists (member)

American Economics Association (member)

EPA Science Advisory Board, 2016 to 2017

Clean Wisconsin Science Advisory Board, 2016 to present

Board Member, Association of Environmental and Resource Economists (AERE), 2011 to 2016; 2018-present.

Director of Graduate Studies, UW AAE, 2012 to 2016.

Faculty Mentor, Kenan Fellowship Program, 2006.
